

# Starting in November

Wednesday evenings & alternate Saturday mornings

Acquire an AEC in Special Care Counselling

Join Champlain College's Recognition of Acquired Competencies  
(RAC) in Special Care Counselling (SCC)

Earn an AEC (Attestation d'études collégiales) in 15-18 months!

## Who should participate?

This program is for *you* if you already have a **minimum of 2 years** of work experience as an attendant, integration aide, child care worker, daycare educator or behavior technician. This may also include experience working in locations such as senior and alternative housing, community group homes, and rehabilitation centers.

Sessions take place on Zoom – every Wednesday evening and every other Saturday morning.

Our content specialists will guide you through the content and help you to prepare for evaluations.

No textbooks! Study materials are accessible online through the RAC-SCC website.
